TOPIC	DISCUSSION
Approval of Minute	Committee Member Rudzena moved to approve May 26, 2026 public works committee minutes as written. Committee Member Schaefer seconded the motion. All Committee Members present voted aye, motion carried.
Old Business	Staff Foreman Walsh reported that operations continue to run smoothly overall. Flood recovery efforts remain ongoing, including cleanup and restoration activities following recent high water events. Routine operations and maintenance tasks are progressing as scheduled, with crews continuing to address infrastructure needs and seasonal work throughout the Village.
New Business	The committee discussed using 3-inch limestone for the path network from Sunnyside to the Val Mar Center (ArrivaDeli) path. The Ernest Lane compacted aggregate shoulder requires attention and should be redressed. Staff and the department will review the issue to determine whether it may qualify as a warranty item under the contractor's work.
Chairman Report	Chairman Letzter updated the committee on recent Village Board actions and activities and discussed the next meeting, tentatively scheduled for July 28 at 6p. Staff will keep the committee informed of scheduling updates as needed.
Adjournment	Committee Member Rudzena moved to adjourn. Committee Member Steffens seconded the motion. All Committee Members present voted aye. Motion carried at 6:47p.
