# Village President's Letter

The Village Board, staff and I are enthusiastic about the coming year as we plan and prepare for some exciting projects that will greatly benefit our community. I look back fondly on 2017 as it was a great year for the Village of Johnsburg. We accomplished many goals and experienced unexpected opportunities that will greatly benefit our community.

We closed out the year with the annual Holiday Magic event which was better than ever before. I truly enjoy seeing our community come

*Holiday Magic Volunteers*

together to share in the joy of the holiday season. Experiencing the festive decorations and the children's squeals of delight when they first see Santa is something that will never get old for me. I extend many thanks to the Community Affairs Committee

for all their hard work. Additionally, I thank the Johnsburg Community Club for donating the use of their facility for this event. Also related to the holidays, I commend Denise and Gerry Karlen for the fantastic Christmas display at Langford Construction on Johnsburg Road.

Once again, the Johnsburg Police Department and Johnsburg Lions Club hosted a very successful Shop with a Cop event. For more than 15 years, this event has helped family's enjoy their holiday season a little more by helping children that are less fortunate in and around the community. This event, like so many others, would not be possible without monetary, time and talent donated by our generous citizens and organizations. Each year I feel our community grows stronger and our events get even better because of you. If you would like to donate to this event please mail a check to Johnsburg Police, reference Shop with a Cop and Johnsburg Police Chief Keith Von Allmen.

As I write this article, members of the Johnsburg Oldtimer's Club are busy preparing for their annual banquet held each year in January. I realize that I have not recognized this unique organization for their generous contributions to our community. The Oldtimer's Club organized in 1977 and has done much over the years to help the community. They have contributed to many sports organization in an effort to assist with field improvements. They also provide a \$4000 scholarship each year to a student in the community. The annual banquet is a fun filled evening with notable sports figures speaking at the event. I sincerely thank the Oldtimer's Club and all of their supporters for their generosity over the years.

In the coming months, many events will be taking place. JABA is hosting their 17th Annual Business and Crafts Expo on Saturday, March 17th, 2017 and the Village's annual Easter Egg Hunt will be on held on Saturday March 31st. Look for more coming events in this issue.

Preparation for the opening of the Village of Johnsburg's Chapel Hill Golf Course is underway. Our public works team did an excellent job cleaning up the fence line along Chapel Hill Road and repairing sections of fence on the perimeter of the course. As I write this article, they are gearing up to cut down and remove dead trees which will eliminate potential safety hazards and greatly improve the courses overall appearance. Village staff is working with the utility companies to arrange for disconnection and rerouting of utilities to the old clubhouse which will be burned in cooperation with the McHenry Township Fire Protection District. We are truly grateful for their willingness to work with the Village on this project. The golf season will soon be upon us. I encourage you to come out and enjoy the course this spring - you will be pleasantly surprised with the changes. For more information regarding golf fees and season passes, go to [chapehillgc.com](http://chapehillgc.com) or call 847-566-7373 during the winter season.

Village staff is busy coordinating the bidding of several projects that will take place when the weather permits in the spring. The residents of Running Brook Farms subdivision will be seeing the start of park improvements this year. These improvements will include a sidewalk extension, landscape improvements, benches, a half-court basketball court and playground equipment. A pavilion and additional playground equipment is planned with future funds. This project is being funded by development impact fees they paid at the time their homes were built. Another project moving forward this spring is the construction of a municipal parking lot. The lot will be located by the roundabout next to Dr. Frymark's office. The lot will help existing businesses in our downtown area with limited parking and encourage new business development in the area. More decorative street name signs will be installed this year and a cold storage facility will be constructed at our public works facility as well. These are just a few of the exciting new projects that will take place this year.

In closing, if you have any questions or Village concerns please contact the Village Hall. As always, I can also be reached through the Village Hall at 815-385-6023 or via email at [ehettermann@johnsburg.org](mailto:ehettermann@johnsburg.org). If you feel your concerns are not being addressed, I want to hear from you. You are the customers of the services we provide. I can assure you that you will receive an answer. If I do not have it readily available, I will get back to you. Can I assure you that you will like the answer? Not always, but please give me an opportunity to try and assist you. Everyone's thoughts, opinions and comments, whether complimentary or complaint are important to me. Thank you for giving me the opportunity to serve as your Village President.

Respectfully,  
Edwin Hettermann - Village President

# Get Ready for Golf!

With Spring just around the corner, the Village of Johnsburg's Chapel Hill Golf Course will soon be open for the season. The Village welcomes all its residents to **GET INVOLVED** in their local government. **VOLUNTEERING** for a Village committee is the best place to begin serving. Here, you will have the opportunity to participate in making decisions that will steer the course of the Village as well as solve everyday problems. The *valuable knowledge and experience gained serving* on these committees provides an in-depth understanding of Village issues and will help answer your questions regarding Village operations. If you are interested in serving on a committee or want to learn more about how local government works in Johnsburg, please visit our website at [www.johnsburg.org](http://www.johnsburg.org) under "How Do I?" or contact the Village Hall at 815-385-6023.

## UTILITIES INC. PROPOSED RATE INCREASE

Utilities Inc. recently announced that they are pursuing a rate increase that will affect residents receiving water through the Utilities Inc. System. President Hettermann sent a letter to the Illinois Commerce Commission (ICC) advising them of Village concerns regarding the increase and the impact it will have on Johnsburg residents. The Village has requested a local public hearing to provide residents an opportunity to ask questions and share their concerns before a decision is made regarding the requested increase. Residents are oftentimes under the impression that the Village is able to intercede to prevent a rate increase from occurring. Unfortunately, that is not the case. **The Illinois Commerce Commission is the governing body that will review the proposal and make a determination as to whether or not the rate increase is warranted. If you have concerns, contact the ICC at 800-524-0795 or email them at [www.icc.illinois.gov/complaints](http://www.icc.illinois.gov/complaints).** Additionally, contact your State and County representatives.

To stay informed on this and other Village matters, go to the Village's website at [johnsburg.org](http://johnsburg.org) and sign up for email alerts.

## Picnics in the Park

With the hope of warmer weather around the corner, it won't be long before families will be coming out to enjoy our parks. The Village provides shelters at Sunnyside Memorial, Hiller and Rescue Squad Memorial Parks which may be rented for private functions for a small fee.

Go to [www.johnsburg.org](http://www.johnsburg.org) for the park application and fee information

## TAXES ABATED ON DISTRICT-OWNED LAND

In December 2005, the Johnsburg School Board accomplished one of its main goals for the year by purchasing 119 acres of land north of the Junior High School. This land purchase has provided the District with maximum flexibility to meet any of its future needs.

While no building plans are in place at this time, this parcel of land is large enough and adaptable enough that it could be used for any building project that the District may face in the foreseeable future. Johnsburg School District 12 continues to work with the Villages of Johnsburg and Ringwood regarding potential growth. At the December 19, 2017 Board of Education meeting, the Board continued to meet their pledge of abating those taxes associated with the land purchase for the upcoming year. At the time the land was purchased, the Board intended that the cost of the land would be paid for by the new growth occurring in the District. Given the limited growth taking place within the District, there are not enough impact fees to support the land purchase. As a result, the Board shifts the financial burden for the cost of this land to the District's budget. For the 2017-2018 school year, the District absorbed \$321,800. The debt is scheduled to be paid in full in 2020.

## 2018-2019 Pre-Kindergarten & Kindergarten Orientation Night

The pre-kindergarten and kindergarten enrollment process will begin this year with an **Orientation Night on March 20, 2018 at Ringwood School Primary Center at 6:00 pm**. The topics that will be covered include: Program Explanation, Enrollment Process and Student Screenings. There will also be a building tour and Q&A time.

Since this is an informational night, you will not need to bring any verification or birth certificates. Packets of information will be distributed. If you have any questions, please call Ringwood School at 815-728-0459.

JABA is looking forward to a successful 2018. Many new ideas and exciting plans are in the works. Of course we have our annual Expo coming up March 17th at Johnsburg High School. Please be sure to come out and enjoy this event.

Monthly meetings are held on the first Wednesday of the month at Stucky's Bar & Grille. Networking starts at 6:00 pm with complementary appetizers being served and the meeting begins at 6:30. ***This quarter we have speakers scheduled for each of the meetings. For our February meeting we have JOSEPH SHIELDS FROM SOCIAL MEDIA EXPEDITORS, in March we have GLENN SMITH FROM PEAK GROWTH PARTNERS and in April, KRISTI PATTERSON FROM THE SHAH CENTER will discuss the services available to small business through the Illinois Small Business Development Center.*** In addition, the meetings allow members the opportunity to introduce themselves and their business along with sharing information about the products and services they provide. You may also find other business owners to work with to provide a larger range of services, products and options for your clients. Members will have an opportunity to add input on how JABA can better serve local area businesses and the community.

Our new and improved website should be up and going in February, enabling you to find information on our members along with our upcoming events.

*If you have a business, no matter what size, come to our meetings and get to know other business owners in and around Johnsburg.*

**Our upcoming meetings are February 7, March 7 & April 4**

Please come and visit, we would love to meet you and learn about your business.

For information about membership visit the JABA website at [johnsburgjaba.com](http://johnsburgjaba.com) or call JABA President, Lori Boyle at 815-814-4240.
