Village President's Letter

Summer has finally begun after an extensive season of continual rain and gloomy days so it seems odd to be preparing my letter for the fall edition of our newsletter already. As I write this letter, we just wrapped up the Village's first ever *Burgers in the Burg* event. With all the great planning and hard work put forth by the Community Affairs Committee and Village staff, it was a hugely successful event. If you missed the event, make sure to watch for it next year - you will not be disappointed.

I hope you had an opportunity to come out and enjoy this year's Memorial Day event honoring those that have fought for our freedoms. Many thanks to George Braun, Tony Violet, VFW Post Commander Greg Sielepkowski and the Johnsburg VFW Post #11496, the Waterfront Hotel and Marina, the Johnsburg Community Men's Club, Johnsburg Community Club, and the Johnsburg Lions Club, for their generosity and hard work, which insured the event was a success. I also thank Jason Konrad for the pig roast, Walmart and Angelo's Market for their food and beverage contributions along with Marty Palmer for arranging the baseball game during the picnic.

Thanks also goes out to the *Johnsburg Area Business Association (JABA)* for hosting the 9th annual *State of the Village* dinner at the Pistakee Yacht Club. Once again business owners and residence from around the community attended for a presentation on this past year's accomplishments and the Village's goals for the coming year. You can view the full presentation on the Village's website at www.johnsburg.org.

Tom Fuchs, owner of Oak Park Lounge and his dedicated group of volunteers surpassed themselves again with another incredible fireworks display in celebration of the Fourth of July. This event is always well attended and the fireworks display is easily one of the best in McHenry County! Thank you Tom Fuchs and to the many who donated to make this event possible.

Mark your calendars for *Saufen und Spiel weekend*. On September 6th through the 8th join your neighbors and friends for a weekend of games, music and fellowship, good food and beverages, and of course the parade. See the article on page 4 for details about this fun family event. Soon thereafter on September 28th, the Village of Johnsburg and the Community Affairs Committee will

host everyone's favorite autumn event - *Celebration in the Park*. Village staff is already busy working to secure donations from businesses and organizations to help fund the event. All contributions are greatly appreciated. Without your generous contributions, this event would not be possible. If you are interested in donating, contact the Village Hall at 815-385-6023. Read the article on page 5 for more information regarding *Celebration in the Park*.

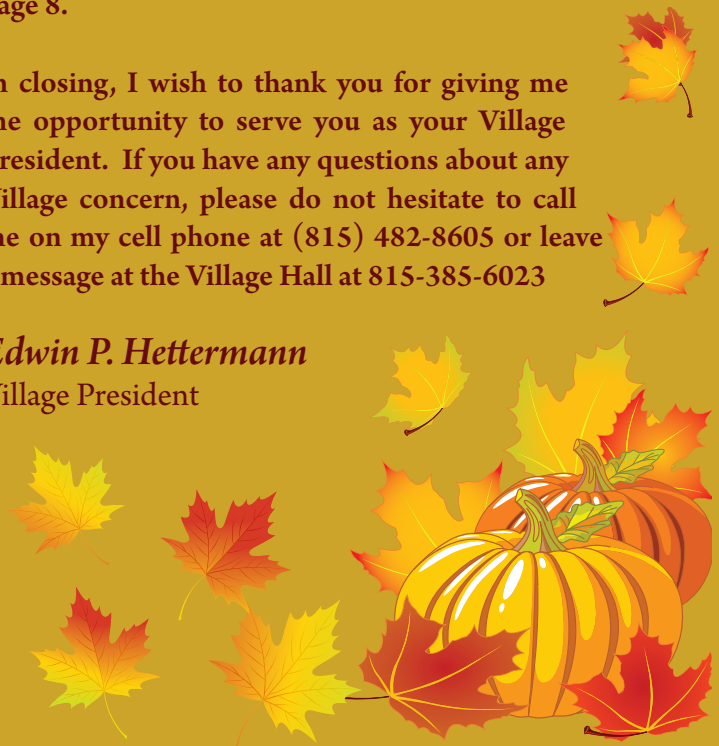

As our children head back to school, I would like to remind everyone to be cautious when traveling throughout the community. Be mindful of pedestrians and bicyclists. Keeping our Village safe requires the efforts of the entire community but it starts with each person as an individual. "Safety doesn't happen by accident." Make the effort and help Johnsburg remain the safe "Hometown with Spirit."

In follow up to the survey conducted last year, Trick or Treating will take place on October 31st. A total of 485 residents responded to the survey of which 58% indicated that they prefer to Trick or Treat on Halloween. The Village Board then voted to conduct Trick or Treating on Halloween as directed by the majority of the respondents. For helpful Halloween safety tips, read the article on page 8.

In closing, I wish to thank you for giving me the opportunity to serve you as your Village President. If you have any questions about any Village concern, please do not hesitate to call me on my cell phone at (815) 482-8605 or leave a message at the Village Hall at 815-385-6023

IS JABA MEMBERSHIP RIGHT FOR ME?

HAVE YOU EVER THOUGHT ABOUT BECOMING A MEMBER OF THE JOHNSBURG AREA BUSINESS ASSOCIATION (JABA)?

IF NOT, MAYBE NOW IS THE TIME FOR YOU TO CONSIDER JOINING. There is a misconception that membership in JABA is only for local business owners. While we work to support local businesses in many ways, membership is not restricted to persons owning a business. Membership is open to everyone interested in investing in the local economy in a meaningful way.

JABA MEMBERS CONSIST OF A WIDE VARIETY OF PROFESSIONALS THAT WORK, LIVE AND PLAY IN THE JOHNSBURG AREA. Our members are business owners, managers, associates, parents, teachers, artists, government workers, retired persons and a variety of other citizens who are interested in playing a meaningful role in supporting the local economy. Members represents businesses and residents from Johnsburg as well as many surrounding communities. The diversity of our members help to make JABA a fun and interesting professional network. This allows our positive impact to reach as far as possible as we work to build a future where businesses in our area are able to thrive.

WE HOLD MONTHLY MEETINGS DESIGNED TO BUILD PERSONAL AND PROFESSIONAL RELATIONSHIPS. These relationships can help us make the Johnsburg area a better place and are a meaningful way to keep us connected with our community. *At these meetings we gather to share ideas, support one another, build friendships and have fun.* As a group we work together to host community events designed to inform people of the benefits of becoming a part our community. We are proud to *offer scholarships*

to young people to provide support for their future success. Additionally, *we support local educational efforts and programs designed to foster the entrepreneurial spirit in future generations.* Our second annual golf outing was held to support the Johnsburg High School INCubator program. Through participation and support of this event we were able to provide a \$750 donation to help establish this initiative. We make it our mission to support local businesses in a variety of ways, and to be part of our areas successful economic future.

If you have never thought about JABA because you thought it was only for business owners; please think again. We would like to invite you out to a meeting to see what we are all about. **MEETINGS ARE HELD THE FIRST WEDNESDAY OF EACH MONTH - NETWORKING STARTS AT 6 PM AND THE MEETING BEGINS AT 6:30 PM.**

New MyView Literacy Series at Grades K-5

Starting in the 2019-20 school year, students in grades K-5 will experience reading and literacy instruction differently than they have in prior years. This is because District #12 has adopted a new literacy series called MyView for use at Ringwood School Primary Center and Johnsburg Elementary School as a part of the District's three-year long-term plan to improve student reading achievement.

The MyView series, developed by Pearson and chosen by grades K-5 staff after reviewing several different sets of literacy materials, uses an integrated and balanced approach to help students master the skills and concepts in the Illinois Learning Standards for English/Language Arts. That means the materials and instructional practices used in MyView will help students learn not only the reading skills contained in the Illinois Learning Standards but will also teach students writing, speaking, listening, and thinking skills. Teacher instruction is based around Reading and Writing Workshops, with what students are reading serving as the basis for their writing. During those Reading & Writing workshops, students will be reading and writing about authentic texts, experiencing mini-lessons that help students practice essential skills, and provided with differentiated instruction that meets their learning needs. The student reading material that comes with the series contains cross-curricular content that helps students also learn about important concepts in the areas of social studies and science while practicing their reading skills.

The MyView materials students will use can be provided to students in a print or digital format. If teachers choose to do so, they can give access to the digital versions of materials using an online MyView student account that has been set up for them. However, all students will be provided with a paper-based student interactive workbook that will be used throughout the school year, and this workbook will contain lessons and activities that students will complete as teachers move through each MyView unit.

The staff at Ringwood School Primary Center and Johnsburg Elementary School are looking forward to using the MyView series to help all of their students become successful and skilled readers and thinkers. If you would like more information about the MyView series, please visit the MyView website at <https://tinyurl.com/y4rhbxnn> or contact the District #12 Curriculum Office at 815-344-5908.

HALLOWEEN SAFETY

Trick-or-Treat - Thursday, October 31st 3pm - 7pm

Halloween is not only a busy night for children but for adults as well. There are many precautions that can be taken to have a safe and fun night.

An easy way to deter potential problems is to make sure your house and your property are well lit. Light is one of the biggest deterrents for burglaries. Suspects will most likely choose a dark residence over one that has clear visibility at night.

Extra caution needs to be taken while driving on Halloween not only during the night but during the day as well. Children tend to be pre-occupied with everything going on around them and not paying attention to safely crossing roads with parents or in a crosswalk. If you are the parent of a trick-or-treater, please remind them of road safety and to watch out for cars when crossing the road. Choose paths that are lighted and are familiar to you and your child.

Other things to consider are:

- 1 If you set jack-o'-lanterns on your porch with candles in them, make sure that they are far enough out of the way so that children's costumes will not accidentally be set on fire. Better yet, use battery-operated pumpkin lights.
- 2 Carry your cell phone and a flashlight.
- 3 Explain to your children that you need to check their candy before they eat any of it.
- 4 Make sure their costume does not restrict their movement or vision.
- 5 If your child will be carrying a prop such as a pitchfork or sword, make sure the tips are flexible enough to not cause injury if fallen on. Never carry real weapons.
- 6 Tell your children to never go into the home of a stranger or get into their car.
- 7 Make sure you set a time for your children to be home and stress the importance for them to be home at that time.
- 8 Control your pets: don't take a chance that your pet might be frightened and chase or bite a child at your door.

Johnsburg's Jewel: Chapel Hill Golf Course

Come enjoy the Chapel Hill Golf Course! Owned by the Village of Johnsburg, Chapel Hill has long been a perennial favorite of both McHenry and Lake County golfers. This 18-hole championship course plays to 6,130 yards from the tips for a par of 70 and poses a friendly challenge to golfers of all levels and ages.

Golfers, prepare for a journey through gently rolling hills, beautiful mature trees, and challenging target-type greens. Many improvements took place this year and more are underway this fall starting with a fresh coat of color to the famous 19th Hole. Completed just this past year was the controlled burn of the old clubhouse which was dated and deteriorating that McHenry Township Fire Protection District used the burning for training purposes.

Well house buildings and structures surround the course have been improved to enhance structure integrity and eye catching appeal. Dying trees that needed attention were either groomed or removed which opened up the areas natural beauty.

GolfVisions continues management of the operation and its tradition of affordable fees, challenging course layout, comfortable atmosphere and gracious hospitality. Village of Johnsburg residents will receive \$5 off an 18 hole round, \$3 off a 9 hole round of golf and \$200 off base dues when proof of residency is presented.

Visit ChapelHillGC.com for more information on monthly specials and memberships.

Book online ChapelHillGC.com or call (815) 344-1894 for tee times or interest in holding your own outing.
