# Village President's Letter

I hope you had an opportunity to enjoy a memorable holiday season celebrating with family and friends. Having recently welcomed in a New Year, I find myself again reminiscing about the flutter of activities that took place during the holiday season. Winter weather may have started unseasonably early this year, but we lucked out with some mild weather for this year's Holiday Magic event helping to make the kickoff parade an even more enjoyable experience. Like so many of the events planned by the Community Affairs Committee, this event grows more successful each year. Thank you to the dedicated committee members and the many volunteers that make this event possible. Thank you also to the Johnsburg Community Club and Johnsburg Community Men's Club for donating the use of their facility and for their steadfast support of the Village.

The third annual Jeeps on the Run Event held at the beginning of December was a record breaking success raising over \$100,000 in toy and monetary donations for the Toys for Tots program. This event raises more donation for the Toys for Tots program than any one day event in our area. Thank you to Raymond's Bowl for their participation and for being an amazing host for this event. Thank you also to Bob and Ellen Cravens along with their fellow members of the Johnsburg Lions Club for their generous support and the role they play in bringing this event to Johnsburg.

In December, officers from the Johnsburg Police Department joined members of the Johnsburg Lions Club for the annual Shop with a Cop event. The Department and Lions Club established the program more than 20 years ago in an effort to help children who are less fortunate in and around the community during the holiday season. For more information regarding the Shop with a Cop program, contact Police Chief Keith Von Allmen at 815-385-6024. Also, please take a moment to read the article on Page 10 for more information about the Johnsburg Lions Club and the many ways they support our community.

Each year, the holidays are brighter in Johnsburg thanks to the fantastic Christmas decorations on display at Lankford Construction. My family and I make frequent trips past their location to experience the display that has become a family viewing tradition. Thank you to Gerry and Denise Karlen and their team of "elves" that work hard to make our holidays shine. Thank you also to the many residents who decorate their homes in display of their Christmas spirit.

As we welcomed in the New Year, we also welcomed some new businesses to the community. At the end of December Discount Tire opened their doors on Route 31 by the Johnsburg Walmart. Additionally, The Lakehouse on Pistakee Bay opened in the former Cabana's and the Boat House opened in the form Bald Knob Marina location both on Bald Knob Road. We hope you will continue to support our community and shop these and all of our other fine businesses.

While writing this article, the Johnsburg Area Business Association (JABA) is preparing for their 20th Annual Business and Craft Expo, scheduled earlier this year on February 29. Congratulations to JABA for 20 successful years hosting the event, bringing our community's best businesses together to display their products and services. JABA has truly been instrumental in helping Johnsburg build a strong business community. I look forward to seeing this event grow each year as they continue to increase their membership and get more businesses involved.

Looking forward, this Spring will be filled with fun community events and mark the start of exciting new projects. The Village of Johnsburg's Easter Egg Hunt will be on held on Saturday April 11th, and Johnsburg Community Club's Super Raffle taking place on April 24th followed by the Club's 48th Annual Joe Fret Golf Outing will take place on Friday, June 19th. The Berkshire housing development will soon be under construction on the former Bush School site and we will be welcoming in more new businesses such as the family friendly Legacy Restaurant opening in the Shops at Fox River Shopping Center. Later this summer, the Chapel Hill Road sidewalk improvement project will get underway funded by a grant secured through the Safe Routes to School program and construction is expected to begin on the police department addition at the Village Hall.

As always, I welcome your inquiries and urge you to contact me on any Village matter. Thank you for your support and the opportunity to serve as your Village President.

Respectfully,  
Edwin P. Hettermann  
Village President

# Use of Golf Carts on Village Roads

With the warmer weather approaching here are a few reminders regarding the use of non-highway vehicles. Golf carts and other qualified non-highway vehicles may be driven on streets within the Village's corporate boundaries with the exception of Johnsburg Road, Ringwood Road and any county roads. Signs have been posted on streets where golf carts are allowed.

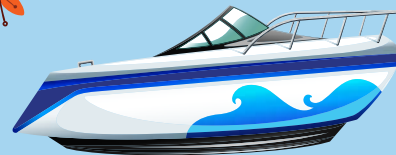

In order to drive these vehicles in the Village, you must be 16 years of age, have a valid driver's license and complete the mandatory annual inspection of your vehicle. The initial cost to register your non-highway vehicle is \$50 and renewals are \$10. This fee includes the cost of a sticker which is required to be displayed. If you have a golf cart or other allowable utility vehicle, or are thinking of purchasing one, please review Chapter 15.15 of the Johnsburg Municipal Code regulating their use. This code can be viewed on the Village's website and at the Village Hall. You may print the non-highway vehicle application from the Village of Johnsburg's website. **Note that the use of four wheelers, motorbikes and other all-terrain vehicles with saddle seats are prohibited on Village streets.**

# Easter Egg Hunt

The Village of Johnsburg, along with the Community Affairs Committee is hosting an Easter Egg Hunt on **Saturday, April 11, 2020 at Sunnyside Park at 11:00 a.m.** There will be 3 separate hunts broken down by age group. Come join your neighbors for some Hoppy Fun! Bring your own basket to collect your eggs and watch out for a Hoppy Visitor!

# Boat Launch Stickers

Boat launch stickers are available at the Village Hall. Anyone wishing to use the Village's boat launch on Riverview Drive (Alfred May Park & Boat Launch) is **REQUIRED** to purchase a sticker and display it on the vehicle used to launch the boat. The sticker cost for Village residents is \$20 and non-residents may purchase a sticker for \$100. Launching is **NOT RECOMMENDED for boats greater than 24 feet.** Launching can be a dangerous activity that may present substantial risk. Users assume full responsibility for determining if conditions are safe for launching.

# Voluntary Vehicle Sticker Renewal

Although the Village no longer requires the use of vehicle stickers, we do have them available for residents who wish to display one. Stickers are now available and can be purchased at the Village Hall for a cost of \$20. Display of this sticker also enables Village residents to utilize the Riverview Drive Boat Launch.

*Stickers will be prorated for the year of 2020, sticker expirations will be December 31, 2020*

# Get Ready for Golf!!

With Spring just around the corner, the Village of Johnsburg's Chapel Hill Golf Course will soon be open for the season. Come out and enjoy a great golf experience and check out the improvements being made at the course. Village residents receive special discount pricing. For more information go to [www.chapelhillgc.com](http://www.chapelhillgc.com) or contact GolfVisions at 847-566-7373 (winter contact number).

## Early Voting

Early voting begins March 2, 2020 for the March 17, 2020 General Primary Election. The ONLY location for early voting will be McHenry Township Offices (3703 N. Richmond Rd. Johnsburg, IL 60051 NOT your designated polling location).

The early voting law, effective in Illinois, allows voters to cast a ballot at an early voting center through Monday, March 16, 2019.

## Early Voting Will Be Conducted Only At

**McHENRY TOWNSHIP OFFICES, 3703 N. Richmond Rd., Johnsburg, IL 60051**

Tuesday, March 3rd through Friday, March 6th  
8:30 AM to 4:30 PM

Saturday, March 7th 9:00 AM to 12:00 PM

Monday, March 9th through Friday, March 13th  
9:00 AM to 7:00 PM

Saturday, March 14th 9:00 a.m. – 5:00 p.m. and  
Sunday March 15th 9:00 AM to 3:00 PM

Monday, March 16th 9:00 AM to 7:00 PM

Any voter who requests a "Vote by Mail" ballot may go to the polls on Election Day and surrender the ballot originally requested.

For more information about early voting or voting locations, e-mail the McHenry County Clerk's office at [mchenryelection@co.mchenry.il.us](mailto:mchenryelection@co.mchenry.il.us) or call 815-334-4242.

## Voting by Mail

Voting by mail is an option for voters to cast their ballot prior to Election Day. Voters can request a vote by mail ballot through the mail or in person. All ballots by mail submitted must be postmarked no later than midnight of election day, for counting no later than during the period for counting provisional ballots, last day of which is the 14th day following election day.

## Date to Remember

# Spring - A Delightful Season

- Summer, winter, and fall may have their fans, but spring is clearly the best season!
- Temperatures Are Moderate
- Daylight is lasting longer
- Birds chirping outside your window.
- Trees Suddenly Have Leaves & Plants Turn Green
- Fruits and Veggies Are Ready to Eat
- Flowers Bloom
- The Snow Is Gone!

- No More Dry Air
- You Can Open Your Windows
- Exposure to sunlight increases the hormone serotonin in your brain, which makes you feel happy.
- You Can Get Your Vitamins Naturally - Sunlight triggers your body to produce the vitamin D3, which keeps your bones strong and decreases the chemical melatonin in your body during the day

## Spring Home Checklist

### 1. Examine Roof Shingles

Examine roof shingles to see if any were lost or damaged during winter. Shingles that are cracked, buckled or loose or are missing granules need to be replaced. Flashing around plumbing vents, skylights and chimneys need to be checked and repaired.

### 2. Check for Decayed Wood

Use a screwdriver to probe the wood trim and drywall around windows, doors, railings and decks. Make repairs now before the spring rains do more damage to the exposed wood.

### 3. Check the Gutters

Check for loose or leaky gutters. Improper drainage can lead to water in the basement or crawl space. Make sure downspouts drain away from the foundation and are clear and free of debris.

### 4. Inspect Grade and Foundation

Low areas in the yard or next to the foundation should be filled with compacted soil. Spring rains can cause yard flooding, which can lead to foundation

flooding and damage. Also, when water pools in these low areas in summer, it creates a breeding ground for insects.

### 5. Examine the Chimney

Examine the exterior of the chimney for signs of damage. Have the flue cleaned and inspected by a certified chimney sweep.

### 6. Inspect Concrete

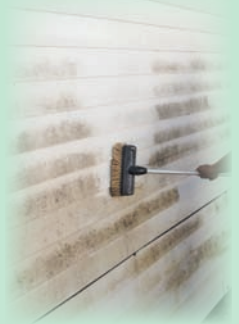

Inspect concrete slabs for signs of cracks or movement. All exterior slabs except pool decks should drain away from the home's foundation. Fill cracks with a concrete crack filler or silicone caulk. When weather permits, power-wash and then seal the concrete.

### 7. Check Outside Faucets

Check outside hose faucets for freeze damage. Turn the water on and place your thumb or finger over the opening. If you can stop the flow of water, it is likely the pipe inside the home is damaged and will need to be replaced. While you're at it, check the garden hose for dry rot.

### 8. Exterior Home Cleaning

Spring is a good time to give the house a good scrub, washing all the winter away. Grit and grim stuck to the siding can damage paint and masonry over time. Look for signs of peeling or chipping paint. You may need a touch-up or a fresh coat.

### 9. Service the AC Unit

Have a qualified heating and cooling contractor clean and service the outside unit of the air conditioning system. Clean coils operate more efficiently, and an annual service call will keep the system working at peak performance levels. Change interior filters on a regular basis.

### 10. Check Power Equipment

Check your gas and battery-powered lawn equipment to make sure it is ready for summer use. Clean equipment and sharp cutting blades will make yardwork easier.

(An annual Friends membership can be purchased at the door for \$5)

### General Sale

Thursday, May 21, 9am to 8:30pm

Friday May 22 and Saturday May 23, 9am to 4:30pm

There's something for everyone, with prices ranging from 50¢ to \$1.00. Proceeds from the sale are used to fund library programs and equipment.

## Get Involved

The Village welcomes all its residents to get involved in their local government. Volunteering for a Village committee is the best place to begin serving. Here, you will have the opportunity to participate in making decisions that will steer the course of the Village as well as solve everyday problems. The valuable knowledge and experience gained serving on these committees provides an in-depth understanding of Village issues and will help answer your questions regarding Village operations. If you are interested in serving on a committee or want to learn more about how local government works in Johnsburg, please visit our website at [www.johnsburg.org](http://www.johnsburg.org) or contact the Village Hall at 815-385-6023. Applications for consideration can also be downloaded from our website under "How Do I?"

SCHOOL DISTRICT 12  
**JOHNSBURG**  
INSPIRING OUR STUDENTS

# Johnsburg School District 12 Taxes Abated to Provide Savings to Community

In December 2005, the Johnsburg School District Board of Education accomplished one of its main goals for the year by purchasing 119 acres of land north of the Junior High School and Elementary School campus. This land purchase has provided the District with maximum flexibility to meet any of its future needs. While no building plans are in place at this time, this parcel of land is large enough and adaptable enough that it could be used for any building project that the District may face far into the future.

At the time of purchase, the School Board pledged to use impact fees to abate taxes to fund the purchase of the property. Although the district no longer receives impact fees, the Board has continued, over the many years, with its promise to the community to abate taxes by funding the payment for the property annually with district operating funds. Over the years, by abating these property taxes, Johnsburg School District has saved our community approximately \$4.8 million. At the December 17, 2019 Board of Education meeting, the Board of Education once again approved the abatement of taxes associated with the land purchase for the upcoming year. For the 2019-2020 school year, the District absorbed \$312,300. Johnsburg Schools is proud to say that the final payment for the property is scheduled for December 2020.

## Johnsburg Area Business Association (JABA)

**JABA Monthly Meetings:**  
FIRST WEDNESDAY OF EVERY MONTH  
Typically at Stucky's Bar & Grille in Johnsburg

Please check our website for updates.

## Thank you From the Johnsburg Lion's

The Johnsburg Lions would like to thank everyone for their past support. Thanks to the community's participation, the Johnsburg Lions have been able to assist many local families, Village projects, Shop with a Cop, school clubs, events and other local organizations through fund raising efforts such as Banjo Beer, Candy Day, Christmas Wreath Sales, FISH and their newest golf cart fundraiser. The Club also hosts a monthly meat raffle to raise funds for local organizations in need of support. This past year, meat raffles raised nearly \$13,000 to help offset costs for kids in school events and programs. Since the club started 30 years ago, its members have raised close to three quarters of a million dollars, which has been reinvested into the community - An impressive feat for our small community.

The dedicated members of the Johnsburg Lions Club are always seeking ways to do more. In 2019, they introduced the first ever, Golf Cart Pub Crawl, which was a great success raising more than \$8,000 for worthy causes. This year is sure to be filled with challenges as the members continue to assist individuals needing help with eye, ear and other support. The Johnsburg Lions Club thanks the Johnsburg community for its unwavering generosity and looks forward to another successful year.

**Come out and support your community. Meat Raffles are held on the 1st Thursday of the month (except January and July) at Raymond's Bowl, 3960 Johnsburg Rd. The first raffle begins at 7:30 p.m.**

**For more info about the Lions Club, check out the "Johnsburg Lions Club" on Facebook.**

## PACE Bus Shelters come to Johnsburg

Three PACE bus shelters are operational in Johnsburg. One is located at May Avenue and Johnsburg Road; another at the entrance to Rescue Squad Park on Johnsburg Road (coming this Spring) and one on Johnsburg Road by the roundabout.

PACE has been providing bus service in Johnsburg for some time in coordination with the McRide Transportation program; however, pickup locations were not improved with a shelter. The shelters will provide riders protection from the elements while waiting for buses and increase awareness that bus service is available in the Village. PACE bus route 806 transports riders to many destinations between Fox Lake and Crystal Lake. Additional connections are available to take riders to other destinations in the County. For more information about the PACE bus route in Johnsburg, go to [www.pacebus.com](http://www.pacebus.com).

## Spring Brush Pickup

The Johnsburg Public Works Department will be conducting its annual **spring brush pickup beginning June 1, 2020. All brush must be placed by the road no later than 7:00 a.m. on June 1st.** Crews will make one pass through each subdivision; therefore, any branches that are not placed by the road when they go by will not be picked up at a later time. **All branches must be a minimum of six (6) feet in length (longer limbs travel more safely through chipper) and no greater than 6 inches in diameter.** They must be placed with their cut ends pointed towards the road in a neat and orderly pile. Please stack brush into multiple manageable piles; avoid making one large pile. **Branches that cannot be put through the chipper safely will not be taken.** Evergreen cuttings must be kept separate from other tree branches and will be picked up separately. This service is being provided for larger branches generated from trimming or storm damage and is **not intended for disposal of whole trees that have been removed.**

# Waste Management Lead-Up...

## The future of curbside recycling is at risk!

Today, **ONE NON-RECYCLABLE ITEM CAN SPOIL AN ENTIRE LOAD OF GOOD MATERIALS.** Placing one wrong item in your recycling bin may not seem very important, but it is becoming a global problem that can prevent thousands of tons of recyclables from ever seeing a second life. Help protect the future of recycling by educating yourself about acceptable recyclable materials. Waste Management has created a website to offer tools you can use to make recycling sustainable for future generations. Do your part and follow these simple guidelines.

**RECYCLE OFTEN.  
RECYCLE RIGHT.**

**KEEP THE DIRTY DOZEN OUT OF YOUR RECYCLING CART.**

You have heard the saying, "one bad apple can spoil the bunch." The same goes for recycling. We need your help to keep the dirty dozen out of the recycling cart.

Go to [RecycleOftenRecycleRight.com](http://RecycleOftenRecycleRight.com) to learn more.

2017

RECYCLING RULES

**1. RECYCLE ALL BOTTLES, CANS AND PAPER**

**2. KEEP ITEMS CLEAN AND DRY**

**3. NO PLASTIC BAGS**

Always recycle:

**Plastic Bottles & Containers**  
Plastic bottles, jars, jugs and tubs

**Food & Beverage Cans**  
Tin, aluminum, steel food and beverage cans

**Paper**  
Cardboard, paper, newspaper, paperboard, magazines

**Flattened Cardboard & Paperboard**  
Flatten all boxes (do not bundle/tie up)

## Open Burning of Landscape Waste

### Prohibited At All Times

Burning landscape waste within 100 feet of a habitable structure (residence, school, etc.) and within 50 feet of a non-habitable structure (detached garage, shed, barn, etc.).  
Burning of manure, garbage, construction materials, litter, etc. on any property.

### Restrictions when Greater Than 100' of a Habitable Structure

Only landscape waste and only on the property where the landscape waste was generated, **during the months of April and May on weekend days (Saturdays & Sundays).** Between dawn and dusk when the winds are less than 10 mph. **Must be supervised by an individual at least 18 years of age and a fire extinguisher, garden hose or water source must be available** at the burning site.

***There is no burning on public or private roads, alleys, sidewalks or easements.***

For more information go to [www.mcdh.info](http://www.mcdh.info) or call 815-334-4585.

### Other Residential Exemptions

Recreational fires; not larger than 3'x3'x3', and excludes leaves, grass or shrubbery clippings.

Ceremonial fires (bonfires) larger than 3'x3'x3', and excludes leaves, grass or shrubbery clippings; permit required from McHenry County Department of Health.
