Roundabout Construction Project

STATE OF THE VILLAGE

The Johnsburg Area Business Association is proud to sponsor the 4th Annual State of the Village dinner. The featured speaker for the evening will be Village President, Ed Hettermann. The dinner is being held at the Pistakee Yacht Club on Wednesday, June 11, 2014. Cocktails begin at 5:30 p.m. followed by dinner at 6:30 p.m. There will be a cash bar and catering for the event will be by Maravela's of Fox Lake. Tickets are \$40.00 per person and \$300.00 for a table of 8.

If you are interested in purchasing tickets for this event please contact Deborah Adams at 815-728-8000 or Joshua Hagen at 815-385-2700 no later than June 4, 2014.

Work has begun on the second phase of the Johnsburg Road Improvement Project which includes the construction of the roundabout at the intersection of Johnsburg Road, Chapel Hill Road and St. Johns Avenue. At this time, a partial closure of the intersection has gone into effect which prohibits access to the intersection from St. Johns Avenue and Johnsburg Road (east) and limits travel through the intersection to traffic traveling north on Chapel Hill Road and continuing west along Johnsburg Road. Later in the project the intersection will be fully closed to facilitate the construction of the roundabout. A detour route has been established and can be viewed at johnsburgroad.com.

Businesses will remain open during construction. For persons needing to access businesses in and around the construction zone, the Village has established a "Local Business Access Route". The route map is available on the Village's website at www.johnsburg.org. Additionally, brochures are available at the Village Hall, Police Department and areas businesses. The brochure provides general road closure information and a copy of the "Local Business Access Route" map. We urge you to support our local businesses during the construction.

When traveling through the "Local Business Access Route", note that thru truck traffic is prohibited along Church Street and Fairview Avenue and speed limits will be strictly enforced. Working together, we can help to minimize the construction's impacts.

Keep abreast of the project by visiting the project's website at johnsburgroad.com. There you can also sign up to receive email alerts and updates related to the project.

To learn more, visit the project website at www.JohnsburgRoad.com. From the website, you can view project photos, detour maps, the plans for the project, and ask questions. You can also sign up for email updates or follow the progress on Facebook or Twitter. Visit the project website to link to our social media sites.

President's Letter

Spring is finally upon us and we are all anxious to get outside to work in our yards and enjoy time with family and friends after hibernating through the long winter. With the onset of warmer weather, I would like to remind residents that the Village does permit the use of golf carts and certain utility vehicles on village streets provided that they meet specific requirements. In order to operate these vehicles on village streets, you must have a valid driver's license; they must be inspected by the Johnsburg Police Department for proper equipment; and it must be registered with the Village. A \$50.00 registration fee applies. To learn more read the article on page 6.

As I write this article, crews are gearing up to begin the second phase of the Johnsburg Road Improvement Project. This phase of the project will include the construction of the roundabout at the intersection of Johnsburg Road, Chapel Hill Road and St. Johns Avenue. The construction will require a partial closure of the intersection in the spring and the full closure of the intersection tentatively expected around July. Please read the article on page 1 for important detour and access route information.

The Johnsburg VFW Post #11496 annual Memorial Day event is right around the corner. As always, we can count on it to be a memorable event honoring those that have served our country. Many thanks to the Johnsburg VFW for their continued dedication to our service men and women. Make sure to read the article on page 4 for more information about the event.

Tom Fuchs, owner of Oak Park Lounge, is planning his annual fireworks display over Pistakee Bay again this year. The event is scheduled for Saturday, July 5th at Oak Park Lounge. If you would like to donate to this event, please mail donations payable to Pistakee Bay Fireworks c/o Mr. Tom Fuchs, 801 W. Oak Grove Road, Johnsburg, Illinois 60051. Watch for more details in upcoming e-Newsletters.

We were saddened to hear of the recent dissolution of the Walla-Pa-Looza Organization. This group of dedicated volunteers had a fantastic five year run with over 10 successful events, raising thousands of dollars for families in the community who have been touched by cancer. Thank you to all that worked so hard for this very important cause. The John Smidl Memorial Scholarship originally started by the Walla-Pa-Looza organization will continue but will now be administered by the Johnsburg Lions Club.

As a resident of the Village, there are several ordinances you should be aware of. Read the article on page 6 to learn more about ordinances regulating garage sales, inoperable vehicles, property maintenance requirements and domestic pets. Village personnel will be out actively enforcing these ordinances. Please become familiar with the regulations to avoid citations and penalties. We wish to keep Johnsburg the beautiful community we proudly call "home".

Since the Village repealed the ordinance requiring vehicle stickers, I have been approached by residents who still wish to display a vehicle sticker on their vehicle. Vehicle stickers are no longer required by the Village, but if you desire to purchase a sticker to display on your vehicle, voluntary stickers will be available for purchase at the Village Hall beginning June 1, 2014.

In closing, I would like to congratulate Connie Freund, former director of 1st Way Pregnancy Support Services and Craig Wallace, founder of Walla-Pa-Looza, for receiving the Northwest Herald's Everyday Heroes Award this year. We thank you for your dedication to our community and wish you all the best.

I hope to see you out enjoying the warmer days ahead.

Respectfully,
Edwin P. Hettermann
Village President

RESCUE SQUAD MEMORIAL PARK DEDICATION

Please join the Village of Johnsburg and Johnsburg Rescue Squad Retired on Sunday, May 18, 2014 at 2:00 p.m. in dedicating the Rescue Squad Memorial Park located adjacent to the Johnsburg Community Club.

Members of the Johnsburg Rescue Squad Retired have contributed a great deal to our community. In addition to their generous donation of more than \$150,000 of improvements to the Park, the Rescue Squad Retired sold the Village the building that currently houses our Police Department at a reduced cost financed over ten years with no interest. They also donated the Johnsburg Community Sign located by the Library and purchased furniture for the Library conference room. The Johnsburg Rescue Squad Retired has provided thousand of dollars in scholarships to area students pursuing a career in the medical field. Members have also organized many food drives in the community over the past several years.

Join us in dedicating the Park in honor of these men and women who served our community. Parking for this event will be at the St. Johns the Baptist Catholic Church and School parking lots. A shuttle will be available to the dedication area.

The Johnsburg Jr. Skyhawks will be holding their 1st Annual Steak Fry at the Johnsburg Community Club on August 9, 2014. The event will be \$25 per person with 100% of the proceeds going back to the Jr. Skyhawks. The evening begins at 5:00PM and will include a silent auction and a 50/50 raffle. Please come out and support your local football team.

ORDINANCE ENFORCEMENT

Now that winter has finally passed us by, the warmer weather will have us enjoying more activities outdoors. As you are maintaining your yard, planning your annual garage sale, or heading out on your golf cart, please keep in mind that the Village has ordinances regulating these and other activities. Below are some ordinances of which you should be familiar:

Use of Golf Carts on Village Roads

The Village of Johnsburg has passed a new ordinance regarding the use of non-highway vehicles on certain village streets. Golf carts and other qualified non-highway vehicles may be driven on streets within the Village's corporate boundaries with the exception of Johnsburg Road, Ringwood Road and any County roads.

In order to drive these vehicles in the Village, you must be 16 years of age, have a valid driver's license and complete the mandatory annual inspection of your vehicle. The cost of this inspection will be \$50 and includes the cost of a sticker required to be displayed. If you have a golf cart or other allowable utility vehicle, or are thinking of purchasing one, please review Ordinance 15.16 regulating their use. The ordinance can be viewed on the Village's website and at the Village Hall. [Note that the use of four wheelers, motorbikes and other all-terrain vehicles with saddle seats are prohibited on Village streets.](#)

Chapter 43.33 Garage Sales

The Village of Johnsburg has recently approved an ordinance regulating Garage Sales. Residents are allowed two (2) garage sales per calendar year. Residents may place one sign on their property and one sign at each entrance to their subdivision advertising the sale. The signs must be removed within 24 hours of the completion of the garage sale. Please review the garage sale ordinance on the Village's website for further information and restrictions.

Property Maintenance

The Village's Building Department has experienced numerous property maintenance complaints and will be strictly enforcing the nuisance ordinances of the Village. Accumulation of junk and debris is the biggest complaint received at this time of the year. We also receive complaints regarding inoperable vehicles being stored on residential properties and refuse containers being stored in the public's plain view or left at the road after garbage and recycling pickup.

It is in violation of Village ordinance to permit the accumulation of junk and debris on property. Junk and debris includes anything from appliances or furniture to garbage, car parts, old sinks and toilets. Village ordinance states that all inoperable vehicles must also be stored out of the public's plain view. Any vehicle being kept in a residential area must be road ready and have current state registration.

The Village receives many complaints about the storage of refuse and recycling containers. Refuse and recycling containers may not be placed by the road more than 24 hours prior to garbage and recycling pickup and must be removed from the road no more than 24 hours after the pickup. Between pickup days, refuse and recycling containers cannot be stored in front of residential or commercial properties, garages, or in the public's plain view.

The Village also receives complaints regarding long grass and weeds. Grass or weeds allowed to grow in excess of eight (8) inches is in violation of Village Ordinance.

Village personnel will be actively enforcing these ordinances. If a violation is identified, citations and notices to appear at an Administrative Adjudication Hearing will be issued. We appreciate everyone's help in keeping Johnsburg the beautiful community we proudly call home.

Animal Control

Chapter 14 of the Johnsburg Municipal Code prohibits any dog, cat or other domestic animal from "running at large". The Village has received many complaints regarding unrestrained dogs traveling into the roadway oftentimes threatening pedestrians and bicyclists. Domestic animals must be restrained on their owner's property. If they are found to be running at large, they will be apprehended and citations will be issued in accordance with the Village's Ordinances.

Solicitors

Chapter 10 of the Johnsburg Municipal Code requires persons engaging in peddling or commercial soliciting to obtain a certification of registration from the Village. The cost of the certification has been increased to \$25.00. Solicitors are required to carry a copy of the certification with them when conducting solicitations throughout the Village. Should you be approached by a solicitor at your home, ask them to produce their certification to insure that they have registered with the Village. If you have questions or concerns regarding solicitation activities taking place in your neighborhood, contact the Johnsburg Police Department at 815-385-6024.

AREA NEWS

SPRING BRUSH PICKUP

The Johnsburg Public Works Department will be conducting its annual spring brush pickup beginning June 2, 2014. All brush must be placed by the road no later than 7:00 a.m. on June 2nd. Crews will make one pass through each subdivision therefore any branches that are not placed by the road when they go by will not be picked up at a later time. All branches must be a minimum of 4 feet in length and no greater than 6 inches in diameter. They must be placed with their cut ends pointed towards the road in a neat and orderly pile. Branches that cannot be put through the chipper safely will not be taken. Evergreen cuttings must be kept separate from other tree branches and will be picked up separately. This service is being provided for larger branches generated from trimming or storm damage and is not intended for disposal of whole trees that have been removed.
