Spring 2016

SALES TAX QUESTION

A letter was recently sent to all residents and business owners in the Village of Johnsburg regarding a sales tax question being placed on the March 15, 2016 ballot. The letter and this article have been developed to help you understand how this sales tax question came to be and the outcomes that can be achieved through additional sales tax revenue. Beginning with a survey that was conducted in November 2014, residents were asked to provide feedback on underfunded village services and potential solutions to address budget shortfalls. (The letter and survey results can be viewed on the homepage of the Village's website at www.johnsburg.org).

Based upon resident feedback, the Village Board took the following actions:

1. Eliminated the sanitation levy for garbage and recycling service (reducing residents' real estate tax bills) and instituted a direct bill system through Waste Management.
2. Approved an ordinance directing the County Clerk to place a referendum question on the ballot asking voters to choose whether or not they support raising local sales tax by ½ percent on goods purchased in the Village. As a result, the following question will appear on the March 15, 2016 ballot:

Shall the corporate authorities of the Village of Johnsburg be authorized to levy a tax at a rate of 1/2 % for expenditures on municipal operations, expenditures on public infrastructure, or property tax relief?	Yes	No
---	-----	----

**Note, the required wording of the referendum question is set forth by State statute. A "Yes" vote will authorize the Village to increase the local sales tax rate by ½ percent bringing the total sales tax rate for goods purchased in the Village to 7.5% - consistent with the rate paid for goods purchased in the City of McHenry.*

The board's decision to place the question of a sales tax increase on the ballot was based on three key factors:

- The Village's need to establish sufficient revenues to support road resurfacing and other underfunded capital items.
- Survey results reflecting the majority of residents support the idea of increasing the local sales tax.
- Sharing the Responsibility - An increase in the local sales tax will be shared by all people who shop in our community, not just our residents. Raising the sales tax from 7 percent to 7 ½ percent will provide the Village with approximately \$600,000/year of additional revenue to help pay for our road maintenance and other underfunded budget requirements.

YOUR VOTE COUNTS

GET OUT AND VOTE ON MARCH 15, 2016

and register your position on the Sales Tax question.

At the current time, only 1 percent of the 7 percent paid in sales tax comes back to the Village. The remaining 6% is retained by the State of Illinois. If approved, shoppers will pay a 7 ½ percent sales tax (same as McHenry) for goods purchased within the

Village of Johnsburg, of which 1 ½ percent will be disbursed back to our community.

The additional sales tax revenue that will be collected and used to pay for our road maintenance and other obligations will be paid by ALL people shopping in our community, not just our residents.

We encourage you to get out and vote March 15, 2016.

President's Letter

Wow, what a year! I hope you enjoyed your Holidays and the great spirits that the season brings. As we look forward to the new and exciting upcoming year, let's not forget about 2015 and all of the organizations with their hardworking members and volunteers that worked to make it a year with many successful and exciting happenings for the residents in our community to enjoy. We had many great events that wouldn't have been possible without their help and dedication. We deeply do appreciate everyone's efforts. They reinforce why the Village of Johnsburg is a Home-town with Spirit.

In early December our Community Affairs Committee hosted the annual Holiday Magic event which was once again a great success. Watching the kids meet and greet Santa is always a wonderful experience. I truly enjoy witnessing all the smiles and laughter as well as the beautiful Christmas decorations and lights displayed thanks to the efforts of the Community Affairs Committee and our hardworking staff. Thank you to the Johnsburg Community Club and Johnsburg Community Men's Club as well for donating the use of their facility and for their organizations support throughout the year. Mark your calendar for the Club's Super Raffle on Friday, May 13, 2016. Come out and enjoy an evening of fun and fellowship (must be 21 or older). All monies raised are used for improvements at the Club or are returned to the community through the sponsorship of many youth sports activities and civic organizations. For more information contact Matt Colby at 224-381-0489.

Another great event that took place this past December was the Johnsburg Annual Shop with a Cop. Once again this was nothing short of amazing. The Johnsburg Police Department and the Lions Club started this event more than 15 years ago, helping children who are less fortunate in and around the community get some of their holiday shopping completed. We continue to see excellence from these two organizations as they continue to make our community stronger.

At the end of January the Community Affairs Committee hosted the annual Family Skate Night which was very well attended. Family, friends and neighbors came out on the cool January evening and enjoyed skating around the rink, and warming up with a cup of hot cocoa. Special thanks to John O'Brien and his dedicated group of volunteers for their efforts in constructing the ice rink and getting it ready for our community's enjoyment.

The Village of Johnsburg has a great year to look forward to. This spring, JABA is hosting their 15th Annual Business and Crafts Expo on Saturday, March 12, 2016. The Village of Johnsburg's Easter Egg Hunt will be on held on Saturday March 26th, and St. John the Baptist Catholic Church's 21st Annual Play Day Golf Outing will take place on Friday, May 13th. Look for more coming events in this issue of the Voice of Johnsburg newsletter.

The Primary Elections are right around the corner. In addition to the many federal and local offices up for election, there is an important Sales Tax referendum question included on the ballot. Your voice matters. I urge you to get out and vote on March 15, 2016.

In closing, if you have any questions or Village concerns please contact the Village Hall. As always, I can also be reached through the Village Hall at 815-385-6023 or via email at ehettermann@johnsburg.org. If you feel your concerns are not being addressed, I want to hear from you. You are the customers of the services we provide. I can assure you that you will receive an answer. If I do not have it readily available, I will get back to you. Can I assure you that you will like the answer? Not always, but please give me an opportunity to try and assist you. Everyone's thoughts, opinions and comments, whether complimentary or complaint are important to me. Thank you for giving me the opportunity to serve as your Village President.

Respectfully
Edwin P. Hettermann

Village Again Successfully Strikes State Bank's Affirmative Defenses in Ongoing Litigation

At a court hearing held on February 18, 2016, the Village was once again successful in the ongoing suit against the State Bank over the Bank's refusal to take care of their obligations and complete the infrastructure improvements in Whispering Ridge Subdivision. Last August, the State Bank filed an answer to the Village's Complaint as well as four "Affirmative Defenses" as reasons why it should not have to complete the roads and sidewalks in the subdivision it took over. Three of these "defenses" were stricken by the court in October 2015. In follow up to that hearing, State Bank cited new affirmative defenses which were also stricken by the Court at the February 18th court hearing.

The Village of Johnsburg filed the original Complaint against State Bank in July of 2014 in response to the Bank's refusal to provide for the completion of outstanding public improvements in the subdivision which they took over from the developer. State Bank's attorney and Chairman, Jack Franks, has maintained that the bank is not obligated to provide infrastructure improvements in the development because it did not have a "profit motive" when it took over ownership of the development and therefore the taxpayers of the Village should bear the cost. Such position has been met with shock and disappointment by the Village Board given its history of doing business with the State Bank. The Village filed suit in an effort to bring the matter before a jury, in response to which the State Bank indicated that it will use its best efforts to prevent the matter from being heard by a jury and in turn filed unsuccessful motions to dismiss the litigation. Following the previous court decision in October, the Village proceeded with depositions in hopes of swiftly getting to trial. At the February 18th hearing, the Village expressed its desire to move forward with a trial so that the residents of Whispering Ridge subdivision can finally see their subdivision completed.

School District Construction Process Continues

Due to the excellent weather during the late fall and early winter months, both of the school districts construction projects have moved along extremely well. The progress is exciting.

Johnsburg High School has completed a six-classroom addition at the front of the building and is being utilized by students and staff. With classes moving to the new addition, renovations are beginning in the vacated classrooms. The new main office at the High School is also nearing completion. Students and staff began utilizing the newly renovated/modernized weight room/fitness area before the holidays. Finally, the new physical fitness/gymnasium foundation is completed and the precast walls are due for installation soon.

Extensive progress is also continuing at the Junior High facility. The newly constructed and renovated 3-5 grade classrooms are dry walled with the above-ceiling mechanicals being completed. The roof over the new gymnasium, cafeteria and kitchen area was installed and the interior work is moving along extremely well. Finally, interior work, including wall framing and mechanicals, is in full swing on the new classroom addition on the south portion of the building as it is also roofed.

For continued updates, go to the District website at Johnsburg12.org and click on the construction link.

Village Boat Launch

When the temperatures warm up and the lakes start to thaw, it's time to start thinking about your Village Boat Launch Sticker. If you have not purchased one, please do so before using the Village launch. Without a Village boat launch sticker, you are subject to a \$200.00 citation.

The stickers do not expire until December 2016 and can be purchased at the Village Hall. The cost of the stickers are \$20.00 for Village residents and \$100.00 for non-residents. The regulations governing the use of the boat launch can be found under Chapter 8 of the Johnsburg Municipal Code which is available on the Village's website.

Get Involved

The Village welcomes all its residents to get involved in their local government.

Volunteering for a Village committee is the best place to begin serving. Here, you will have the opportunity to participate in making decisions that will steer the course of the Village as well as solve everyday problems. The valuable knowledge and experience gained serving on these committees provides an in-depth understanding of Village issues and will help answer your questions regarding Village operations. If you are interested in serving on a committee or want to learn more about how local government works in Johnsburg, please visit our website at www.johnsburg.org or contact the Village Hall at 815-385-6023. Applications for consideration can also be downloaded from our website under "Resident Handbook".

You Have The Power!

Ever wonder, “*Why and how to recycle?*” When you “*Recycle Often. Recycle Right*” great things happen. Every day we encounter hundreds of recyclable items. By recycling properly, you help materials get to their best use, which in turn saves tons upon tons of raw materials, time, energy and expense.

Did you know 69% of plastic bottles and 45% of aluminum cans end up in the garbage? Liquids often spoil a whole load of otherwise recyclable paper. It's time to get back to the basics of recycling.

Always Recycle:

- Plastic Bottles & Containers
- Food & Beverage Cans
- Paper
- Flattened Cardboard & Paperboard
- Food & Beverage Cartons
(Remember to keep items clean and dry).

Do Not Recycle:

- Food waste
- Plastic bags & Film
- Foam Cups & Containers
- Needles
