TOPIC	DISCUSSION	NEXT STEPS
Minutes	Motion for minutes to be approved by Calhoun, 2 nd Dory	
Chairman Report	None	
New Business	Field Use – Committee talked about and reviewed numbers to possibly start having the teams cover the cost of field maintenance. Chairman Curry states that it would be a good idea to just add the cost to the teams field use fee at the beginning of the year.	
Old Business	<p>Family Skate Night – Committee member Kuna suggested that event should maybe start a little earlier in the upcoming years. Starting the event earlier can give the event more daylight time as well as give a greater opportunity for younger families to come out.</p> <p>Signage – Committee members went over some possibilities of adding temporary signs to some of the yearly events. Having a temporary sign for the family skate night will not be an easy task because putting the sign up and taking it down in the middle of winter could be hassle for actually having the sign for a long period of time. Committee also reviewed the cost of the signs that were purchased in 2014.</p>
