NEW BUSINESS – Chairman Huemann started a discussion regarding highlighting the Prairie and Heritage Commerce areas. Some of the areas that might be helpful are asking each business if they would like to participate, obtaining signage and possibilities of putting units that are available for rent or sale on emails to people interested in commercial properties, or have a business group for just the commerce areas. Chairman Huemann stated that SSA32 has been approved and the residents should be having service by this time next year.

ADJOURNMENT - Motion by Committee Member Schnur to adjourn was seconded by Committee Member Kinast. Motion carried with all members voting aye at 7:42 p.m.

Respectably,
