TOPIC	DISCUSSION	NEXT STEPS
<b>New Business</b>	<b>Rt. 31 Corridor-</b> Village Engineer Tim Hartnett attended the meeting to discuss the Map Exhibits. Mr. Hartnett showed the committee some examples of ideas that have been thought out in the past. One example was a Metra train station. He also created some slides to show what transformations could look like on Rt. 31 as well as in the downtown. The committee again discussed ideas for growth in the area.	
<b>Old Business</b>	Chairman Hagen updated the committee on the Bush School Development. The TIF Funding is pushing through.  Chairman Hagen informed the committee that at the 8/20 board meeting it was brought up that the sign ordinance is being re looked at. He let the committee know he would keep them updated, and they would look at it before it was all passed.	
<b>Other</b>	Celebration in the Park is September 28 <sup>th</sup> .	
<b>Adjournment</b>	Motion by Committee Member Schnur to adjourn was seconded by Committee Member Bierman. Motion carried with all members voting aye at 8:02 p.m.
