Section 4. Bond Details. For the purposes set forth above, there shall be issued and sold the Bonds to an aggregate principal amount not to exceed \$3,800,000. The Bonds shall each be designated "General Obligation Bond (Alternate Revenue Source), Series 2020A." The Bonds shall be dated the date of closing (the "Dated Date"); and shall also bear the date of authentication thereof. The Bonds shall be in fully registered book-entry form (hereinafter "Book Entry Form"), shall be in denominations of \$5,000 or integral multiples thereof (but no single Bond shall represent principal maturing on more than one date), shall be numbered consecutively in such fashion as shall be determined by the Bond Registrar. Subject to the Bond Order, the Bonds are hereby authorized to bear interest at a rate not to exceed 5.00% and mature on February 1 of each of the years (subject to optional or mandatory redemption as set forth in the Bond Order), in the principal amounts (not to exceed \$275,000 for any year) commencing not before 2021 and ending not later than 2045, as shall be specified in the Bond Order.

Each Bond shall bear interest from the later of its Dated Date as herein provided or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid or duly provided for, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on February 1 and August 1 of each year, commencing on the date set forth in the Bond Order. Interest on each Bond shall be paid by check or draft of the Paying Agent, payable upon presentation thereof in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the applicable Record Date, and mailed to the registered owner of the Bond as shown in the Bond Register or at such other address furnished in writing by such registered owner, or as otherwise may be agreed with the Depository. The principal of the Bonds shall be payable in

lawful money of the United States of America upon presentation thereof at the office maintained for the purpose by the Paying Agent or at successor Paying Agent and locality.

Section 5. Book Entry Provisions. The Bonds shall be initially issued in the form of a separate single fully-registered Bond for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of “Cede & Co.”, or any successor thereto, as nominee of the Depository. All of the outstanding Bonds from time to time shall be registered in the Bond Register in the name of Cede & Co., as nominee of the Depository. The Village Clerk, as representative of the Village, is authorized to execute and deliver on behalf of the Village, and as such agent for the Village, such letters to or agreements with the Depository as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “Representation Letter”). Without limiting the generality of the authority given with respect to entering into such Representation Letter, it may contain provisions relating to (a) payment procedures, (b) transfers of the Bonds or of beneficial interests therein, (c) redemption notices and procedures unique to the Depository, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of the Depository, none of the Village, the Village Clerk, the Paying Agent or the Bond Registrar shall have any responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “Depository Participant”) or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the immediately preceding sentence, the Village,

the Village Clerk, the Paying Agent and the Bond Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, Cede & Co., or any Depository Participant with respect to any ownership interest in the Bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds. No person other than a registered owner of a Bond as shown in the Bond Register shall receive a Bond certificate with respect to any Bond. Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the applicable record date, the name "Cede & Co." in this Ordinance shall refer to such new nominee of the Depository.

In the event that (a) the Village determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement among the Village, the Paying Agent and Bond Registrar, and the Depository evidenced by the Representation Letter shall be terminated for any reason or (c) the Village determines that it is in the best interests of the Village or of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Village shall notify the Depository and the Depository shall notify the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of the Depository. The Village may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the Village, or such

depository's agent or designee, but if the Village does not select such alternate book-entry system, then the Bonds shall be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

Section 6. Execution; Authentication. The Bonds shall be executed on behalf of the Village by the manual or facsimile signature of the Village President and attested by the manual or facsimile signature of the Village Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village. In case any such officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All Bonds shall have thereon a certificate of authentication, substantially in the form hereinafter set forth, duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance.

Section 7. Redemption. (a) Optional Redemption. The Bonds due on and after the date, if any, specified in the Bond Order, shall be subject to redemption prior to maturity at the option of the Village from any available funds, as a whole or in part, and if in part in integral multiples of \$5,000 in any order of their maturity as determined by the Village (less than all of the Bonds of a single maturity to be selected by the Bond Registrar), on the date specified in the Bond Order, and on any date thereafter, at the redemption price of par plus accrued interest to the date fixed for redemption, as provided in the Bond Order.

(b) Mandatory Redemption. The Bonds maturing on the date or dates, if any, indicated in the Bond Order, are subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date on February 1 of the years, if any, and in the principal amounts, if any, as indicated in the Bond Order.

The principal amounts of Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemption of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the Village may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Village Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

(c) General. The Bonds shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. The Village shall, at least 45 days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar) notify the Bond Registrar of such redemption date and of the principal amount and maturity or maturities of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar from the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; provided that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The

Bond Registrar shall make such selection upon the earlier of the irrevocable deposit of funds with an escrow agent sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

The Bond Registrar shall promptly notify the Village in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 8. Redemption Procedure. For a mandatory redemption, the Bond Registrar shall proceed to redeem Bonds without any further order or direction from the Village whatsoever. For an optional redemption, the Village shall, at least thirty (30) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the maturities and principal amounts of Bonds to be redeemed. For purposes of any redemption of less than all of the Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days prior to the redemption date by the Bond Registrar for the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; provided, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion.

The Bond Registrar shall promptly notify the Village and the Paying Agent in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the Bond Registrar on behalf of the Village by mailing the redemption

notice by first class mail not less than 30 days and not more than 60 days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall include at least the information as follows:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all of the outstanding Bonds of a particular maturity are to be redeemed, the identification (and, in the case of partial redemption of Bonds within such maturity, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and
- (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the office maintained for the purpose by the Paying Agent.

Such additional notice as may be agreed upon with the Depository shall also be given as long as any Bonds are held by the Depository.

Prior to any redemption date, the Village shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption

price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price), such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Paying Agent at the redemption price. The procedure for the payment of interest due as part of the redemption price shall be as herein provided for payment of interest otherwise due. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of like tenor, of authorized denominations, of the same maturity, and bearing the same rate of interest in the amount of the unpaid principal.

If any Bond or portion of a Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid or duly provided for, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

The Village agrees to provide such additional notice of redemption as it may deem advisable at such time as it determines to redeem Bonds, taking into account any requirements or guidance of the Securities and Exchange Commission (the "Commission"), the Municipal Securities Rulemaking Board, the Government Accounting Standards Board, or any other federal or state agency having jurisdiction or authority in such matters; provided, however, that such additional notice shall be (1) advisory in nature, (2) solely in the discretion of the Village, and (3) not be a condition precedent of a valid redemption or a part of the Bond contract, and any failure or defect in such notice shall not delay or invalidate the redemption of Bonds for which proper official notice shall have been given. Reference is also made to the provisions of the Undertaking (as hereinafter defined) of the Village with respect to the Bonds, which may contain other provisions relating to notice of redemption of Bonds.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

As part of their respective duties hereunder, the Bond Registrar and Paying Agent shall prepare and forward to the Village a statement as to notice given with respect to each redemption together with copies of the notices as mailed and published.

Section 9. Registration and Exchange or Transfer of Bonds; Persons Treated as Owners. The Village shall cause the Bond Register to be kept at the office maintained for the purpose by the Bond Registrar, which is hereby constituted and appointed the registrar of the Village for the Bonds. The Village is authorized to prepare, and the Bond Registrar or such other agent as the Village may designate shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the office maintained for the purpose by the Bond Registrar, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the close of business on the Record Date for an interest payment to the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The execution by the Village of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; provided, however, that the principal amount of Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative.

All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Village or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of the exchange of a Bond for the unredeemed portion of a Bond or Bonds surrendered for redemption.

Section 11. Alternate Bonds; General Obligations; Tax Levy. The Bonds are and constitute Alternate Bonds under the Debt Reform Act, anticipated to be payable from the Pledged Revenues. Under and pursuant to Section 15 of the Debt Reform Act, the full faith and credit of the Village are hereby irrevocably pledged to the punctual payment of the principal of, premium, if any, and interest on the Bonds; the Bonds shall be direct and general obligations of the Village; and the Village shall be obligated to levy ad valorem taxes upon all the taxable property within the Village's corporate limits, for the payment of the Bonds and the interest thereon, without limitation as to rate or amount (such ad valorem taxes being the "Pledged Taxes").

Pledged Revenues are hereby determined by the Corporate Authorities to be sufficient to provide for or pay in each year to final maturity of the Bonds all of the following: (1) the debt service on all Outstanding revenue bonds payable from Pledged Revenues, (2) all amounts required to meet any fund or account requirements with respect to such Outstanding revenue bonds, (3) other contractual or tort liability obligations, if any, payable from such Pledged Revenues, and (4) in each year, an amount not less than 1.25 times debt service of all (i) Alternate Bonds payable from such Pledged Revenues previously issued and outstanding, and (ii) Alternate Bonds payable from such Pledged Revenues proposed to be issued, including the Bonds.

The Pledged Revenues shall be and are hereby determined by the Corporate Authorities to provide in each year an amount not less than 1.25 times debt service (as defined in Section 3 of the Debt Reform Act) of Alternate Bonds payable from such revenue sources previously issued and outstanding, and Alternate Bonds proposed to be issued. Such conditions enumerated need not be met for that amount of debt service (as defined in Section 3 of the Debt Reform Act) provided for by the setting aside of proceeds of bonds or other moneys at the time of the delivery of such bonds. The Pledged Revenues are hereby determined by the Corporate Authorities to

provide in each year all amounts required to meet any fund or account requirements with respect to this Ordinance, any contractual or tort liability obligations, if any, payable from Pledged Revenues, and an amount not less than 1.25 times debt service (as defined in Section 3 of the Debt Reform Act) of all of the Outstanding Bonds, payable from such Pledged Revenues. The determination of the sufficiency of the Pledged Revenues is expected to be supported by reference to the most recent audit of the Village, which audit is for a Fiscal Year ending not earlier than eighteen (18) months previous to the time of issuance of the Bonds, and not otherwise a "report" under Section 15 of the Debt Reform Act shall be prepared.

For the purpose of providing the money required to pay the interest on the Bonds when and as the same falls due and to pay and discharge the principal thereof as the same shall mature, there shall be levied upon all the taxable property within the Village's corporate limits in each year while any of the Bonds shall be Outstanding, and there is hereby levied, in addition to all other taxes levied by the Village, the Pledged Taxes in the amounts for each year not to exceed \$300,000, commencing for each levy year, commencing not before 2020 (collectible in 2021) and ending not later than 2043 (collectible in 2044), as shall be specified in an applicable Bond Order.

The Pledged Revenues and other moneys on deposit in the 2020A Bond Fund shall be applied to pay principal of and interest on the Bonds.

Interest or principal coming due at any time when there are insufficient funds on hand from the Pledged Revenues to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the Pledged Revenues or Pledged Taxes herein levied; and when the Pledged Revenues shall have been collected, reimbursement shall be made to said funds in the amount so advanced.

Pursuant to Section 13 of the Debt Reform Act, the moneys deposited or to be deposited into the 2020A Bond Fund (as defined herein), including any tax receipts derived from the taxes levied pursuant to this Ordinance, are pledged as security for the payment of the Bonds. While any Bonds remain outstanding and unpaid, the tax levies to be made as provided by this Ordinance shall be for the sole benefit of the owners of the outstanding Bonds and such owners shall have and are granted a security interest in, and a lien upon, all rights, claims and interests of the Village arising pursuant to those levies and all present and future proceeds of such levies. The security interest in and lien upon those rights, claims and interests are immediately valid and binding from the time the Bonds are issued, and shall immediately attach to (a) the tax receipts wherever held, (b) amounts held in the 2020A Bond Fund and other funds pledged for the benefit of holders of the Bonds, and (c) those rights, claims and interests pledged hereby, without any physical delivery or further act and the lien of such pledge shall be immediately valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Village or against the funds, rights, claims or interests pledged hereby irrespective of whether such parties have notice thereof.

The pledge is an agreement between the Village and the bondholders to provide security for the Bonds in addition to any statutory lien.

Section 12. Filing with County Clerk. Promptly, as soon as this Ordinance becomes effective, a copy hereof, certified by the Village Clerk of the Village, shall be filed with the County Clerk of McHenry County, Illinois (the "County Clerk"); and said County Clerk shall in and for each of the years set forth in the Bond Order, ascertain the rate percent required to produce the aggregate Pledged Taxes hereinbefore provided to be levied in each of said years and subject to abatement as provided in said Section 13; and said County Clerk shall extend the same for

collection on the tax books in connection with other taxes levied in said years in and by the Village for general purposes of the Village; and, subject to abatement as stated hereinabove, in said years such annual tax shall be levied and collected by and for and on behalf of the Village in like manner as taxes for general purposes for said years are levied and collected, and in addition to and in excess of all other taxes.

Section 13. Tax Abatement. The Village covenants and agrees with the Underwriter and registered owners of the Bonds that so long as any of the Bonds remain outstanding, the Village will take no action or fail to take any action which in any way would adversely affect the ability of the Village to levy and collect the Pledged Taxes, unless and to the extent there then shall be moneys irrevocably on deposit therefor in the applicable debt service account or accounts established under Section 16 below and in accordance with this Section. The Village and its officers will comply with all present and future applicable laws in order to assure that the Pledged Taxes may be levied, extended and collected as provided herein and deposited into the 2020A Bond Fund.

In the event that funds from any lawful source may be made available for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the Pledged Taxes, the Corporate Authorities shall, by proper proceedings, direct the deposit of such other funds into the 2020A Bond Fund, and further shall direct the abatement of the Pledged Taxes by the amount so deposited. A certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerk in a timely manner to effect such abatement.

Section 14. Treatment of Bonds as Debt. The Bonds are to be payable from applicable Pledged Revenues and shall not constitute an indebtedness of the Village within the meaning of any constitutional or statutory limitation, unless the Pledged Taxes shall have been extended

pursuant to the general obligation, full faith and credit promise supporting the Bonds, as set forth in Section 11 hereof, in which case the amount of the Alternate Bonds then Outstanding shall be included in the computation of indebtedness of the Village for purposes of all statutory provisions or limitations until such time as an audit of the Village shall show that the Bonds have been paid from the Pledged Revenues for the Alternate Bonds for a complete Fiscal Year, in accordance with the Applicable Law.

Section 15. Sale of Bonds. The Bonds shall be executed as in this Ordinance provided as soon after the passage hereof as may be, shall be deposited with the Bond Registrar, and shall be delivered to the Underwriter upon the payment of the price set forth in the Bond Order, the same being not less than 97% of the par amount of the Bonds. The contract for the sale of the Bonds to the Underwriter is hereby in all respects ratified, approved and confirmed, it being hereby declared that no person holding any office of the Village, either by election or appointment, is in any manner financially interested, either directly in his own name or indirectly in the name of any other person, association, trust or corporation, in such contract.

Upon the sale of the Bonds, the Designated Officers and any other officers of the Village as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including, without limitation, a Preliminary Official Statement, Official Statement and closing documents.

The distribution of the Preliminary Official Statement relating to the Bonds is hereby in all respects authorized and approved, and the proposed use by the Underwriter of an Official Statement (in substantially the form of the Preliminary Official Statement but with appropriate variations to reflect the final terms of the Bonds) is hereby approved.

Section 16. Creation of Funds and Appropriations; Flow of Funds. Accrued interest and premium, if any, received upon delivery of the Bonds shall be deposited into the 2020A Bond Fund (as defined herein) and be applied to pay first interest coming due on the Bonds.

A. There is hereby created or continued a special fund of the Village, which fund shall be held separate and apart from all other funds and accounts of the Village and shall be known as the "Alternate Bond Fund (Series 2020A Bonds)" (the "2020A Bond Fund"). The purpose of the 2020A Bond Fund is to provide a fund to receive and disburse the Pledged Revenues for the Bonds and to receive and disburse Pledged Taxes for any (or all) of the Bonds. All Pledged Revenues as required for the Bonds shall be deposited to the credit of the 2020A Bond Fund, and all Pledged Taxes shall be deposited to the credit of the 2020A Bond Fund. The 2020A Bond Fund and any respective accounts therein, constitute a trust fund established for the purpose of carrying out the covenants, terms, and conditions imposed upon the Village by the Bond Ordinance. The requisite amount of Pledged Revenues is to be received by the Village Administrator or such other designee of the Village, as may be authorized, by the officers who collect or receive the Pledged Revenues. The Village Administrator or such other designee of the Village, as may be authorized, shall thereupon deposit the Pledged Revenues to the credit of the 2020A Bond Fund in such amounts, taking into account the prior use of moneys in the 2020A Bond Fund, as shall provide for the timely payment of all principal of and interest on the Bonds. Any Pledged Taxes which may be received by the Village shall promptly be deposited into the 2020A Bond Fund. Pledged Taxes on deposit to the credit of the 2020A Bond Fund shall be fully spent to pay the principal of and interest on the Bonds for which such taxes were levied and collected prior to use of any moneys on deposit from Pledged Revenues.

B. The sum necessary, as determined by the Designated Officers, of the principal proceeds of the Bonds shall be disbursed by the Underwriter to pay costs of issuance upon the delivery of the Bonds or, to the extent not so disbursed by the Underwriter, shall be deposited into a separate and segregated fund, hereby created, to be known as the "Expense Fund" and shall be used by the Village Clerk or Village Treasurer, as applicable, to pay costs of issuance of the Bonds in accordance with normal Village disbursement procedures. Any funds remaining to the credit of the Expense Fund on the date which is six months following the date of delivery of the Bonds shall be transferred by the Village Clerk or Village Treasurer, as applicable, to the 2020A Bond Fund.

C. From the principal proceeds of the Bonds, the sum necessary, as determined by the Designated Officers, shall be used to pay costs of the 2020A Project and to that end shall be deposited into a separate and segregated account of the Village, hereby created, and to be known as the "2020A Project Fund". Monies on deposit in and to the credit of the 2020A Project Fund shall be disbursed by the Village Treasurer from time to time as needed, without further official action or direction of the Corporate Authorities, in accordance with normal Village procedures for disbursements of corporate funds for capital projects. Upon the completion of the 2020A Project, as certified to the Village Treasurer by the architect or engineer in responsible charge of the 2020A Project, remaining funds, if any, on deposit in and to the credit of the 2020A Project Fund shall be transferred by the Village Treasurer, without further official action of or direction by the Corporate Authorities, to the 2020A Bond Fund. Monies on deposit in and to the credit of the 2020A Project Fund may be invested by the Village Treasurer in any investments lawful under Illinois law for Village funds, without further official action of or direction by the Corporate Authorities.

Without further official action of or direction by the Corporate Authorities, if necessary to ensure the timely payment of principal of and interest on the Bonds, monies on deposit in the 2020A Project Fund may be transferred by the Village Treasurer at any time to the 2020A Bond Fund in anticipation of the collection of Pledged Taxes. Any amount so transferred shall be promptly repaid upon the collection of Pledged Taxes.

Section 17. Parity Bonds; Additional Bonds. The Village reserves the right to issue bonds or other obligations, if any, which share ratably and equally in the Pledged Revenues, as set forth and provided for in any such ordinance authorizing the issuance of any such bonds (the "Parity Bonds"), without limit, provided that the Pledged Revenues as determined or as adjusted as hereinbelow set out shall be sufficient to provide for or pay all of the following: (a) debt service on all Outstanding bonds to which the Pledged Revenues have like-wise been pledged, computed immediately after the issuance of the proposed Parity Bonds; (b) all amounts required to meet any fund or account requirements with respect to such Outstanding bonds; (c) other contractual or tort liability obligations then due and payable, if any; and (d) an additional amount not less than 0.25 times the maximum annual debt service on such of the Alternate Bonds as shall remain Outstanding bonds after the issuance of the proposed Parity Bonds. Such sufficiency shall be calculated for each year to the final maturity of such Alternate Bonds which shall remain Outstanding after the issuance of the proposed Parity Bonds. The determination of the sufficiency of Pledged Revenues shall be supported by reference to the Village's most recent audit, including of the 2020A Bond Fund, which audit shall be for a Fiscal Year ending not earlier than eighteen (18) months previous to the time of issuance of the proposed Parity Bonds.

If such audit shows the Pledged Revenues to be insufficient, then the determination of sufficiency may be made in either of the following two ways:

(i) The determination of sufficiency of the Pledged Revenues may be supported by the report of an independent accountant or feasibility analyst having a national reputation for expertise in such matters, demonstrating the sufficiency of the Pledged Revenues and explaining by what means they will be greater than as shown in the audit.

(ii) The reference to and acceptance of an audit or a report, as the case may be, and the determination of the Corporate Authorities of the sufficiency of the Pledged Revenues shall be conclusive evidence that these conditions have been met and that the Parity Bonds are properly issued; and no right to challenge such determination is granted to the registered owners of the Bonds.

The Village reserves the right to issue Alternate Bonds from time to time (the “Additional Bonds”) payable from Pledged Revenues, and any such Additional Bonds shall share ratably and equally in the Pledged Revenues with the Bonds; provided, however, that no Additional Bonds shall be issued except in accordance with the provisions of the Debt Reform Act.

Section 18. Reimbursement. None of the proceeds of the Bonds will be used to pay, directly or indirectly, in whole or in part, for an expenditure that has been paid by the Village prior to the date hereof.

Section 19. Not Private Activity Bonds. None of the Bonds is a “private activity bond” as defined in Section 141(a) of the Code. In support of such conclusion, the Village certifies, represents and covenants as follows:

A. No direct or indirect payments are to be made on any Bond with respect to any private business use by any person other than a state or local governmental unit.

B. None of the proceeds of the Bonds is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

C. No user of the 2020A Project or the Prior 2020A Project, other than the Village or another governmental unit, will use the same on any basis other than the same basis as the general public; and no person other than the Village or another governmental unit will be a user of the 2020A Project or the Prior 2020A Project as a result of (i) ownership or (ii) actual or beneficial

use pursuant to a lease, a management or incentive payment contract, or (iii) any other arrangement.

Section 20. Bank Qualified Bonds. The Village hereby designates the Bonds as “qualified tax exempt obligations” for the purposes and within the meaning of Section 265(b)(3) of the Code. In support of such designation, the Village hereby certifies that (i) the Bonds will not be at any time “private activity bonds” as defined in Section 141 of the Code, other than “qualified 501(c)(3) bonds” as defined in Section 145 of the Code; (ii) as of the date hereof in calendar year 2020, the Village has not issued any tax exempt obligations of any kind other than the Bonds nor have any tax exempt obligations of any kind been issued on behalf of the Village; and (iii) not more than \$10,000,000 of obligations of any kind, including the Bonds, issued by or on behalf of the Village during calendar year 2020 will be designated for purposes of Section 265(b)(3) of the Code.

Section 21. Registered Form. The Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 22. Covenants of the Village. Subject to the terms and provisions contained in this section, and not otherwise, the Village covenants and agrees so long as there are any Outstanding Bonds (as defined herein), as follows:

(a) The Village will take all action necessary either to impose, collect, apply or maintain the right to receive and apply the Pledged Revenues and Pledged Taxes in the manner contemplated by this Ordinance, and such Pledged Revenues shall not be less than as shall be required under Section 15 of the Debt Reform Act to maintain the Bonds as Alternate Bonds.

(b) The Village covenants that it will, while any of the Bonds remain Outstanding, ensure that the Pledged Revenues will be sufficient to provide for or pay each of the following in

any given year: (1) debt service on all Outstanding revenue bonds payable from such revenue sources, (2) all amounts required to meet any fund or account requirements with respect to such Outstanding revenue bonds, (3) other contractual or tort liability obligations, if any, payable from such pledged revenues, and (4) in each year, an amount not less than 1.25 times debt service of all (i) alternate bonds payable from such revenue source previously issued and Outstanding and (ii) alternate bonds proposed to be issued (i.e. the Bonds).

(c) The determination of the sufficiency of the Pledged Revenues is expected to be supported by reference to the most recent audit of the Village, which audit is for a Fiscal Year ending not earlier than eighteen (18) months previous to the time of issuance of the Bonds.

(d) The Village will make and keep proper books and accounts (separate and apart from all other records and accounts of the Village), in which complete entries shall be made of all transactions related to the Pledged Revenues, and covenants that within 210 days following the close of each Fiscal Year, it will cause the books and accounts related to the Pledged Revenues to be audited by independent certified public accountants. Such audit will be available for inspection by the registered owners of any of the Bonds. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein, shall, without limiting the generality of the foregoing, include the following:

(i) A balance sheet as of the end of such Fiscal Year, including a statement of the amount held in each of the funds under this Ordinance.

(ii) The amount and details of all Outstanding bonds.

(iii) The accountant's comments, if any, regarding the manner in which the Village has carried out the accounting requirements of the Ordinance (including as to the Alternate Bond status of the Bonds) and has complied with Section 15 of the Debt Reform Act, and the accountant's recommendations for any changes.

(e) The Village will keep its books and accounts in accordance with generally accepted accounting principles for local government entities and enterprise funds; provided, however, that

the credits to the 2020A Bond Fund shall be in cash, and such funds shall be held separate and apart in cash and investments. For the purpose of determining whether sufficient cash and investments are on deposit in such accounts under the terms and requirements of this Ordinance, investments shall be valued at market price on the valuation date thereof, which valuation date shall be not less frequently than annually.

(f) The Village will take no action in relation to the Pledged Revenues or the Pledged Taxes which would unfavorably affect the security of the Bonds or the prompt payment of the principal and interest thereon or the 125% coverage required in subsection (b) above to maintain the Bonds as "alternate bonds" under Section 15 of the Debt Reform Act.

(g) The owner of any Bond may proceed by civil action to compel performance of all duties required by law and this Ordinance.

Section 23. Rights and Duties of Bond Registrar and Paying Agent. The Bond Registrar and Paying Agent shall:

(a) act as bond registrar, paying agent, authenticating agent, and transfer agent as provided herein;

(b) maintain a list of Bondholders as set forth herein;

(c) cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer; and

(d) furnish the Village at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 24. Defeasance. Any Bond or Bonds which (a) are paid and canceled, (b) which have matured and for which sufficient sums have been deposited with the Paying Agent to pay all principal and interest due thereon, or (c) for which sufficient funds and Defeasance Obligations

have been deposited with the Paying Agent or similar institution having trust powers to pay, taking into account investment earnings on such obligations, all principal of and interest on such Bond or Bonds when due at maturity or as called for redemption, pursuant to an irrevocable escrow or trust agreement, shall cease to have any lien on or right to receive or be paid from the Pledged Taxes hereunder and shall no longer have the benefits of any covenant for the registered owners of Outstanding Bonds as set forth herein as such relates to lien and security of the outstanding Bonds. All covenants relative to the payment, registration, transfer, and exchange are expressly continued for all Bonds whether Outstanding Bonds or not. For purposes of this Section, "Defeasance Obligations" means (a) direct and general full faith and credit obligations of the United States Treasury ("Directs"), (b) certificates of participation or trust receipts in trusts comprised wholly of Directs or (c) other obligations unconditionally guaranteed as to timely payment by the United States Treasury.

Section 25. Continuing Disclosure Undertaking. Any Designated Officer is hereby authorized to execute and deliver the Continuing Disclosure Undertaking (the "Undertaking"), in customary form as previously executed by the Village and as provided by Bond Counsel, to effect compliance with Rule 15c2-12 adopted by the Commission under the Securities Exchange Act of 1934. When such Undertaking is executed and delivered on behalf of the Village, it will be binding on the Village and the officers, agents, and employees of the Village, and the same are hereby authorized and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of such Undertaking as executed and delivered. Notwithstanding any other provisions hereof, the sole remedies for failure to comply with such Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus

or specific performance by court order, to cause to the Village to comply with its obligations thereunder.

Section 26. Municipal Bond Insurance Policy. In the event the Underwriter certifies to the Village that it would be economically advantageous for the Village to acquire a Policy for the Bonds, the Village hereby authorizes and directs the Village Clerk or other Designated Officer to obtain such an insurance policy, as shall be further set forth in the Bond Order. The acquisition of a Policy is hereby deemed economically advantageous if the difference between the present value cost of (a) the total debt service on the Bonds if issued without municipal bond insurance and (b) the total debt service on the Bonds if issued with municipal bond insurance is greater than the cost of the premium on the Policy. In the event the payment of principal and interest on the Bonds is insured pursuant to a Policy issued by an Insurer, and as long as such Policy shall be in full force and effect, the Village and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Insurer upon payment of the Bonds by the Insurer, amendment hereof, or other terms, as approved by the Village President on advice of counsel, his or her approval to constitute full and complete acceptance by the Village of such terms and provisions under authority of this Section.

Section 27. Publication of Ordinance. A full, true and complete copy of this Ordinance shall be published within ten days after passage in pamphlet form by authority of the Corporate Authorities.

Section 28. Superseder. All ordinances, resolutions and orders, or parts thereof, in conflict herewith, are to the extent of such conflict hereby superseded; and this Ordinance shall be in full force and effect immediately upon its passage and approval.
