2017  
NORTHWEST HERALD  
**EVERYDAY** heroes

**We are honoring Veterans and those who work with them, but we need your help.**

The 2017 Everyday Heroes will feature McHenry County Veterans who are making a difference in their community and those making a difference in the lives of veterans. This year's nominations are open to those who have served in any of our military branches, at any time, as well as civilians who are going above and beyond, and in some way, serving the veterans of our community. Chosen heroes will be honored at an awards breakfast in March. A special print and online section of the Northwest Herald will feature these heroes on February 25, 2017.

We welcome nominations through December 23, 2016. To qualify, the nominee must either live or work in McHenry County. Nominees may be of any age. Tell us in 250-500 words what makes someone you know an Everyday Hero. Please be as specific as possible. Examples are helpful in the nomination review process.

To nominate a hero, visit: [NWHerald.com/hero](http://NWHerald.com/hero)

# Mission and Vision Statement

## Mission Statement

The Village of Johnsburg will provide responsible governance and services to all residents, property owners and stakeholders through comprehensive planning and effective resource management while maintaining a positive community environment that reflects resident input and concern.

## Vision Statement

Johnsburg is a village where history, hospitality and natural beauty come together to create a community that is proud of its past and excited about its future. Our prosperity depends upon engaging our residents to be integral participants in Johnsburg's unique community while protecting our assets and preserving our natural resources.
